SEPTEMBER 8-11

3 C RAP

Verse 1

Well here we are, we are back at school, I remind you now of our 3C rule.
I've got 3 words, they can bring success, If you follow them, you'll be now mess.
You've got courtesy and cooperation, and the very last word is concentration.

Pat, clap, pat, clap snap 2x

Verse 2

Courtesy, that's the golden rule, treat your brothers and sisters like kings, not fools.
If the teacher is talking, don't talk please. Raise your hand and cover that sneeze.
Please and thank you are words for me. Excuse me, I'm sorry, and watch his knee.

Pat, clap, pat, clap snap 2x

Verse 3

Cooperation is the very next word.
It's the 'baddest' word that you've ever heard.
Teamwork, yes, that's my style.
Work together and make me smile.

Pat, clap, pat, clap snap 2x

Verse 4

Concentration from your head to your toe.
Keep your mind on your work and don't let go.
Focus in on what you do.
Concentration that's good for you.

And now you know it, it's the number one code,
Of Wilkinson that will be our mode
Of operation each and everyday.
Do it now, it's the very best way!

QUARTER, QUARTER, QUARTER NOTE

Chug-a chug-a chug.	<i>Echo: Chug-a chug-a chug.</i>
Sixteenth notes come running down the track.	<i>Echo: Sixteenth notes come running down the track.</i>
