I EAT KIDS

Verse 1

A child went out one day.
 She only went to play.
 A mighty monster came along.

 I stuff them down my tum.
 I only leave the teeth and clothes
 I 'specially like the toes."

 She stood there and refused.
 Then with a skip and a little twirl
 She sang the song of a hungry girl.

 They make me squeal and slurp.
 It's time to chomp and take a chew
 And what I'll chew is you!"

 The child went skipping home again.
 And ate her brother's model train.
 THE END!
