

DON'T STOP BELIEVIN'
WILKINSON 100TH ANNIVERSARY EDITION

Verse 1 (bar 4)

Just a brand new school, in a town with room to groove.
They took a trolley car up to Wilkinson.

Just a neighbourhood, welcoming this brand new school.
They took a trolley car up to Wilkinson.

Chorus 1 (bar 19)

Children, learning, reading, writing, stay in school.
Playing at recess was so cool.

Neighbours, people, learning just to come together.
Hoping, dreaming at our school. (Wilky, is so cool).

Verse 2 (bar 39)

Working hard to pass my test.
Study hard and all the rest.
Doing anything to finish my work to get to recess.

Some will pass, some will fail.
Some will go beyond the pale.
Another school year winds along, it goes on and on and on.

Chorus (bar 19)

Coda (bar)

Don't stop believing, keep that learning feelin'
Neighbours, people-----
Don't stop believing, keep that learning feelin'
Neighbours, people-----

Don't stop!
